

October 10, 2022

Information Officer
Town of Dartmouth
400 Slocum Road
Dartmouth, MA 02747

I am requesting a copy of the original grant application for the following Department of Justice Solicitation:

15PJDP-21-GG-02755-COIP

which resulted in a DOJ award of \$744,565 to the TOWN OF DARTMOUTH

<https://ojjdp.ojp.gov/funding/awards/list?awardee=DARTMOUTH%2C%20TOWN%20OF>

It is not clear why the award was granted to the TOWN OF DARTMOUTH and not directly to the Bristol County Sheriff's Office, which is apparently running the program. The *OJP Grant Application Resource Guide* refers to pass-thru grant recipients and I want to understand:

- the scope of Town involvement in this program
- who from Town government and other parties are associated with this grant
- how the grant applicant described the program to the Department of Justice, and
- what deliverables are required

According to the DOJ, the grant application consists of a Proposal Abstract, a Program Narrative, and a Budget Worksheet. I am requesting copies of all these components of the grant application as well as any other original supporting documents and appendices that were submitted with the original application.

Please honor this information request within the required 10 day period, as the law requires. This information is in the public interest, will be shared with the public, and ought not incur any preparation fees.

David Ehrens
24 Sunset Lane
